

56th Annual Moss Hart Memorial Award

FOR THE PROMOTION OF ARTISTIC GROWTH AND THE DEVELOPMENT OF EXCELLENCE IN THEATRE

The annual Moss Hart Memorial Award has a two-fold purpose: to honor the memory of Moss Hart, dramatist and director, for his wit and sensitivity, for his unconquerable enthusiasm for life and for his work in the theatre; and to recognize and encourage outstanding theatrical productions throughout New England of play scripts that present affirmative views of human courage and dignity, that have strong literary and artistic merit, and which in their productions, exemplify fresh, imaginative, creative treatment within the intent of the playwright. The New England Theatre Conference, in making the annual Moss Hart Memorial Award, seeks to encourage artistic growth and the highest standards of excellence in theatre.

The Moss Hart Memorial Award is presented at The New England Theatre Conference Annual Convention to a theatre group whose production most completely fulfills the stated purpose. In order to provide recognition within each theatre division -- professional, community, college, secondary school, and Youth -- up to five divisional awards may be presented each year in addition to the Moss Hart Trophy. Engraved plaques will be presented to the divisional Recognition recipients, and one of them will also be selected as the recipient of the Award Trophy, which it will retain for one year.
